

Summer meet results

Tuesday, 23 July 2013 02:35

Meet results have been posted for several summer meets, most recently for the 2nd Ithaca Masters LCM event. There were nearly 100 swimmers at the event, which is a great showing! Dozens of Niagara LMSC records were broken.

Results are also linked for the Colonies Zone LCM Championship, which was held in Virginia. Three Niagara swimmers made that trip: one from the BUMS and two from the RAMS (representing NIAG).

Prior to that was the 2013 Pan-American Masters Championships in Florida. Niagara had two swimmers participating in that competition!

The records will be updated shortly.
