

[Colonies Zone Championships](#) at George Mason University wrapped up last week and the results are posted in our Results section.

It was a successful meet for Niagara. Our very own BUMS squad came in first place for large team scores with 1,842.5 points! There were a few other swimmers from Niagara not affiliated with the BUMS. In total, we had 9 swimmers break 22 Niagara LMSC records. You can see the list of record breakers on the results page for the event (there is one page for the BUMS affiliated swimmers and another for non-BUMS). Additionally, there were a few swimmers who broke Colonies Zone Championship Meet Records!

Congratulations to all competitors!
