[NYS Short Course Yards Championship Meet Records](#) <sup>12</sup>

Records are compiled using meet results from within the LMSC, Colonies Zone Championships,

USMS National Championships, and the USMS Top Ten list. If you swam outside of the LMSC, please notify the Record Chair. New records may not be posted until the completion of each season (SCY, SCM, LCM), so please keep that in mind before placing an inquiry.

Please email the [Record Chair](#) if you believe a record is incorrect. Include as much information as possible (Name of athlete, date of competition, location, etc).
